Dear Professor Beris;

I hope to visit the United States as a tourist in the first half of October of this year. My itinerary includes visits to New York, Washington, Chicago, Detroit and Buffalo.

I expect to be in Washington about 9-10 October. I would be very happy to have the opportunity of meeting you and acquainting myself with the work of the United States Geographic Society and your activity in economic mapping.

Respectfully,

B. *N*. Semevskiy
